

ST. MARY'S SCHOOL NEWS

November 4, 2015

*I am
the Good Shepherd*
John 10:11

Dear St. Mary's Families,

Thank you to those who worked our Fall Marathon Bingo last weekend. I truly do appreciate your dedication of volunteering for St. Mary's School.

The 6th grade class did a wonderful job with their "Be a Shepherd" Service Project. They took many food items to SVDP. They also helped organize and clean their warehouse. The 6th grade class also showed the students what the difference in food looked like in developed, and poverty stricken countries. The school also packed rice to send to a country in need. The 5th grade class is up next. They have attached a flyer about their service project.

Cookie dough and trash bag pick up is scheduled for next Monday, November 9th. All orders will need to be picked up in the Parish Center by 5:30pm.

The 8th grade class is hosting an Archery Shoot for all ages this Saturday, November 7th in the Parish Center for grades 3 thru adults. The shoot starts at 8:00am and awards are given at 5:00pm. It is \$5.00 for each archer and \$3.00 admission fee for all non-shooters. We do have bows that anyone can use for their shoot. There are 4 divisions: elementary, middle, high school, and adults. All proceeds will benefit the 8th grade class field trip to Washington D.C. You can register for this event at the following link:

<https://docs.google.com/a/stmarysnv.com/forms/d/1k1sjrP-vLkyxjI4vJEE9NJzJzA5g6ZYwjLRsUSKcMw4/viewform>

We have an exciting opportunity for students in grades 5-8. JC Biosecurity and Biotechnology Teaching team will come to St. Mary's after school to teach students hands on science/agriculture lessons. There is more information about this attached to the school news. Check the flyer out. This program does start this Thursday from 3:30-4:15. Please return the interest sheet if you are planning on attending.

Enjoy the rest of your week!

Blessings,
Mr. Goddard

Bingo Workers for Nov. 5- TEAM 5
