

ST. MARY'S SCHOOL NEWS

February 10th, 2016

Dear St. Mary's Families,

Catholic Schools Week was a blast. Thanks for putting the extra effort in and for making it a success.

Please continue to sell cookie dough. The proceeds earned will help us purchase more laptops in the school building for the students and, also add more blow-up bouncy items for our Mega party held in May.

Today marks the start of our Easter/Lent season. Lent is a season of repentance, prayer, and fasting. The season begins with Ash Wednesday and ends on Easter. It represents the 40 days Jesus prayed and fasted in the desert. We need to focus on resistance to temptations during this season. How can you limit something in your life right now that is gaining more time, energy, and attention than the things that are truly important? Try giving up social media, video games, texting, television, or personal electronic devices and replacing that time with conversations with God and your family.

School is in session on Monday (President's Day).

If you are going to purchase Valentine Day cards for your child's classmates please consider those with food allergies. I recommend buying just the cards or the cards with a pencil, sticker, or other non-food items.

This is the last week to make sure your spot is held for the 2016-17 school year. Registration fee must be paid to have your spot held. We do need to know if you are not returning to St. Mary's School for next school year. There is a place on the registration form to list those students who will not be returning.

The link to register is:

docs.google.com/forms/d/1UYWYG2pZnOOKTAHOuBr9xYQDNDgsWowPEC46NN7rFel/viewform?usp=send_form

Blessings,

Mr. Goddard

Important Dates for the Week
