

ST. MARY'S SCHOOL NEWS

March 2nd, 2016

*I am
the Good Shepherd*
John 10:11

Dear St. Mary's Families,

ISTEP+ testing will be going on through next Thursday. Thanks to all the students taking the test, they are giving their best effort and that is all we can ask. This test does not define who each of you are or how smart each of you are. All of our students have talents and special things about them that are not assessed with this test. We know how truly special each and every one of our students are. Continue to encourage your child to do their best and keep all students in your prayers.

Our Spring Marathon Bingo has been cancelled. There is no Bingo this Sunday.

Thanks to all who brought in Big G Box Tops we raised \$696.

Thanks to all who sold cookie dough we raised \$3678.80 for our spring sale. That makes a total of \$11,029.60 for the year. All proceeds will be used for technology upgrades and more laptops for the students.

Congratulations to our Math Bowl team. They were 1 point away from being champions. They put a lot of extra work in and it showed. The coaches and students did a tremendous job this year!

Congratulations to Isaac Mull, Grace Taylor, and Ruthie Bingham for becoming champions of the Southeast Regional K of C Free Throw Competition.

Congratulations to our Archery teams. Our Elementary Team placed 5th in the county with Hallie Crane receiving 3rd place for 3rd grade girls and Wyatt Messer placing 4th for boys HS/MS division.

Our spring spirit wear sale has started. There are two options to choose from. The order form is attached to the newsletter and a paper copy will be sent home with each family.

Blessings,
Mr. Goddard
