

ST. MARY'S SCHOOL NEWS

March 16th, 2016

Dear St. Mary's Families,

The 7th and 8th graders have been busy with a STEM activity this week. They are building an arcade room for the school to come and play. All games are made from materials such as cardboard, string, and tape. St. Mary's students will be given tickets to come and play the games on Friday. It was great to hear them present their engineering design to the rest of the class.

Thanks for all the help in preparing the children for their tests the last couple of weeks. The students did a tremendous job.

Don't forget to buy your Reverse Raffle tickets. The event is on April 16th. The tickets cost \$40 a person and you can purchase them in the school office.

Tomorrow (3/17) is St. Patrick's Day. In honor of this, students may wear green t-shirts or sweatshirts to school with normal uniform pants/shorts.

The office has 6 tubs of chocolate chip cookie dough for sale at \$17 each. Please contact the school office if you would like to purchase any extra cookie dough.

Friday is Spirit Wear Day! Don't forget Spring Spirit Wear orders are due Friday also.

We will have a table of lost and found items set up in the front lobby of the school Thursday and Friday of this week. If your child is missing any items please look in our lost and found this week.

Spring Break is next week. Have a safe and relaxing break.

Blessings,
Mr. Goddard
